

PRESS RELEASE

37 year old, Ahmadi young man, Ikram Ullah killed in his medical store at Tonsa, district Dera Ghazi Khan on the basis of religious hatred.

Baseless nationwide propaganda against Ahmadis is strangling the lives of the members of innocent community.

Chenab Nagar (PR) Yesterday on 19-08-2015 according to the information, 4 unknown persons came on motor cycle and opened fire on Ikram Ullah who was inside his medical store. 5 bullets hit him and the one struck in head caused his death at a spot. Bereaved includes his widow, one daughter age 5 years and a son age 18 months. Ikram Ullah was an active member of the community and a noble person. He did not have enmity with anyone. This incident is the reinforcement of religious hatred and biasness.

Spokesman of Jamat Ahmadiyya Pakistan, Mr Saleem Ud Din strongly condemned this tragic incident and expressed his grief and sorrow. He said that continuous, seditious propaganda against Ahmadis all over the country is a primary reason of these kinds of incidents. He said that it was announced in the National Action Plan that effective action will be taken against all persons who spread hatred. But it is sorry to say that not only all seditious elements spreading hatred against Jamat Ahmadiyya are free but also continuing their seditious propaganda against Ahmadees fearlessly. Spokesman demanded administration to arrest the killers of Mr Ikram Ullah urgently and punish them in accordance with the law.
